

My name's Alicja. I'm fourteen and I live in Mońki, a little town in Poland. My birthday's on the 19th of May. I've got a maltese, Triss. I love reading and sleeping. I'm very lazy and forgetful, but ambitious. I'm friendly. Sometimes I can be nasty. I can't live without my friends. My favourite meal is pizza. My favourite color is lime green. I listen to metal.
