

My Hobbies

I love sports, but I can't stand rugby. I'm really into cycling, because it is really entertainment. I prefer swimming to skating. I love basketball. I've been playing basketball for five years. I quite like tennis and volleyball. I hate gymnastics. I like music. I love rock music and I like going to concerts with friends. I can play the piano. I quite like classical music. I don't mind reggae, but I prefer jazz.
