

My hobbies

I love music. I listen to lots of different styles. My favourite singer is Jesse McCartney.

I prefer pop and rock to opera. Jazz and classical music aren't my favourite styles of music, either. I really don't like folk music. I'm keen on singing and dancing, too. I'm really into ballroom dancing.

I like many sports, for example swimming and cycling. I'm not very keen on football. I prefer skiing to basketball, but I don't mind basketball.
