

My hobbies

I like music but I don't like some kinds of music for example rap, hip hop, opera and jazz. I quite like rock music and things like that. I adore loud music at concerts. I enjoy it. I played the flute for one year. I'm not interested in sports. I don't mind volleyball but I can't stand basketball. I'm not very competitive in sports. I only play for fun. I'm interested in cycling. I enjoy figure skating only on television. I went to ballroom dancing course.
