

MY HOBBY.

My hobby and passion is travelling. I've visited 5 countries, France, Belgium, Lithuania, Germany and Slovakia. I would like to see the Eiffel Tower, I have been in France, but I haven't been in Paris.

In travelling the greatest is driving a car or other methods of transport. You can then watch the interesting buildings, etc.. Every summer I go somewhere, if it's possible as far from home as possible. When I was a little girl I always loved travelling with family. I was choosing the place to go. At the age of 8 for the first time I went abroad. It was a great experience for me. Any trip I remember with a smile on my face.
