

My hobby is rock and metal music. I love it. My favourite bands are Dream Theater, Volbeat, Metallica, Iron Maiden and Slipknot. I listen to music a lot of time every day. I also love playing drums. I sometimes meet with my friends and we play in our band. I also like going to the concerts, but unfortunately I can't go on them very often, because I live in a small town and there aren't any concerts, so I have to go on them a long way for example to

Warsaw.

In my free time I enjoy reading newspapers about my favourite bands. Now I'm also reading an autobiography of one of my favourite singers - Ozzy Osbourne. I love playing Guitar Hero game on computer which also is about rock music. I often watch films about music, for example August Rush, School of Rock, Rock Star, The Rocker, Almost Famous.
