

MY HOBBY

- ...I've been a scout for four years. In my scouts' team there are 45-50 people. I love scouting because
 - I get to know lots of interesting people ,
 - I experience lots of adventures
 - I can see lots of wonderful and interesting places.

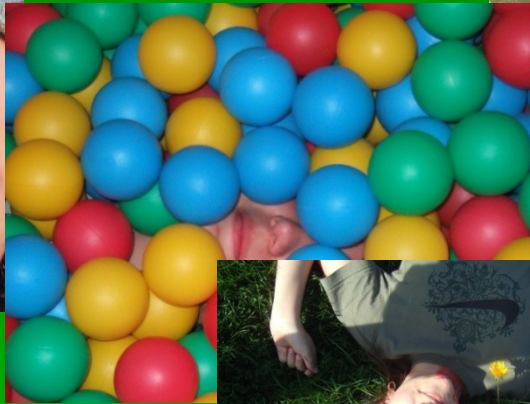

We go to the camps :P

We learn many things useful in life

We play and go on trips

**We never have time for
boredom!**
